FRIDAY, SEPTEMBER 19

07:00–08:00 | MOA6

Empowering Adolescents: Team-based Multidisciplinary Care

The aim of the workshop is to offer an interactive, case-based, “fireside” panel discussion looking at multidisciplinary team involvement in the care of the adolescent heart transplant patient.

Presented by the team of SickKids – Hospital for Sick Children, Toronto, Canada

Moderators: Anne Dipchand, Lauren Scavuzzo

Panelists: Amelia Marrato, Louise Bannister, Anna Gold, Akila Dada,
Alison Schwartz, Robin Deliva

A light breakfast will be served.

12:20–13:20 | MOA9 (Plenary)

Kidney Injury Perspectives for Heart, Kidney and Liver Transplant: Cases Using NGAL

Dr. Jun Oh

Division of Ped. Nephrology, Ped. Hepatology
and Ped. Transplantation
University Medical Center Hamburg-Eppendorf
Hamburg, Germany

Dr. Kyle Merrill

Assistant Medical Director
Pediatric Kidney Transplantation
Stead Family Children's Hospital,
Iowa City, IA, United States

Lunch boxes will be available for symposium participants.

THURSDAY, SEPTEMBER 18

Opening Ceremony
13:30–14:30 | MOA9

**Welcome Reception &
Poster Session 1**
17:00–19:00
MOA10

FRIDAY, SEPTEMBER 19

Congress Networking Event
19:00–22:00
Das Lemke Brewery

Address: Dirksenstr., S-Bahnbogen 143
(ticketed event; no ticket sales at the door)

The venue is easily accessible by public transit
(U-Bahn and S-Bahn).

The closest stop is called “Hackescher Markt”

SATURDAY, SEPTEMBER 20

Morning Yoga
06:30 | MOA7

5km Fun Run & Walk
06:30
Meeting Point:
MOA hotel lobby

SUNDAY, SEPTEMBER 21

WIT Networking Breakfast
07:00–08:00 | MOA6

Publications	Sept. 20	07:00–08:00	Business Suite 1002 (1 st floor)
Liver	Sept. 20	07:00–08:00	Exhibit Area
Outreach	Sept. 20	12:00–13:00	Business Suite 1002 (1 st floor)
Thoracic	Sept. 20	12:00–13:00	MOA EATS
Multi Organ	Sept. 20	12:30–13:30	MOA4

Pre-registration is required to attend these activities.

08:00–12:30 | MOA4

Allied Health Pre-Congress Symposium:

Part 1: Professional Burnout Causes and Consequences

Part 2: Navigating Professional Stressors and Practical Applications
of Positive Well-being Strategies

Session Goals:

1. To describe the prevalence, early signs and symptoms, and longer-term impact of professional burnout and secondary trauma
2. To support the development of work-life balance through the teaching

08:00–12:30 | MOA3

Trainee Pre-Congress Symposium:

Transplantation Essentials and Emerging Horizons -
A Learning Forum for Early-Career Professionals

Session Goals:

1. To provide a rich background in basic topics in transplantation for trainees and junior faculty members, to best set them up for improved learning opportunities from the full congress.
2. To discuss upcoming and important transformational topics in the field of transplantation for children

**Visit the Pre-Congress Symposia
page on the IPTA 2025 website
for complete details.**

Meet the Editors of *Pediatric Transplantation*

Saturday, September 20 | 17:40–18:40
During Poster Session 2 - Exhibit - MOA10

Would you like to:

- Publish in *Pediatric Transplantation*?
- Join the Editorial Board?
- Ask a question about journal policies?

Sharon Bartosh

Burkhard Tönshoff

Join IPTA Today!

Join our society of over **1,000 members**
in the advancement of the science and practice
of transplantation in children worldwide.

Benefits include free online access to the *Pediatric Transplantation* journal, educational opportunities, access to our multi-media library and online membership directory, reduced congress fees and travel awards, online subscriptions and access to the IPTA and TTS newsletters, and much more!

Becoming a member has never been easier!

- Go online to www.tts.org/ipta
- Complete the application form
- Receive your login once approved
